## Choose your High School

### Accepting A School

The parents or guardians of selected students receive a letter by U.S. mail notifying the applicant of acceptance to a program. If parents do not accept the Magnet School placement by the dates indicated in the letter, and printed in the FUSD Parent and Student Notification and Information Handbook, students may lose their spot and be returned to the applicant pool. Accepting any choice transfer will forfeit the applicant's eligibility from all other programs.

### Succeeding at a New School

Intradistrict and Interdistrict transfers may be revoked for unacceptable students grades, attendance and/or behavior, including:

- A GPA less than 2.0 may result in revocation. A special education student must maintain academic progress consistent with the goals and objectives in their IEP.
- Six or more unexcused absences or thirty-six unexcused class absences per semester (and equivalent tardiness).
- Two or more suspensions.
- False information submitted on the application.
