

# Prevention and Intervention **FACT SHEET**

## Addressing the Needs of Students, Families, and the Community

- ✓ Need a school record?
- ✓ Need help on how to find the right school for your child?
- ✓ Need understanding attendance requirements or discipline procedures?

We're here to help you navigate through the many services and options designed to help your student succeed.

## Providing Foundational Student Support by:

- Building strong partnerships with our students and their families
- Working with community agencies and businesses to support student success
- Connecting families to services designed to make school a successful experience

## Choosing the Right School

Choosing the right school is one of the most important decisions a family will make and, in the Fresno Unified School District, we try to provide as many options as possible. Fresno Unified offers an array of specialized and magnet programs that are geared to the interests of youth. In addition, families can select a school of their choice simply by filling out an open enrollment application.

## Supporting Social Competence & Academic Achievement

FUSD has launched a major initiative to ensure school safety and promote social competence while improving academic achievement. This emphasis on school-wide behavior supports include proactive strategies for defining, teaching, and supporting appropriate student behaviors to create positive school environments.
