FRESNO UNIFIED SCHOOL DISTRICT

PROJECT ACCESS

DEPARTMENT OF
PREVENTION AND INTERVENTION

**For Families in
Transition**

**Title 1 and Project ACCESS Services
For Your Child**

Rights

No matter where you live or how long you have lived there, your child has a right to go to school and receive a **free appropriate public education**. In the Fresno Unified School District, if you move from one place to another, you may have certain rights:

- If you don't have a permanent address you can ask for a Project ACCESS Affidavit of Residence when enrolling your child.
- You have a right to petition to keep your child in the school of original enrollment. Call the Department of Prevention and Intervention to arrange for **bus tickets at 457-3351** if you are living outside the boundaries of your child's original school of enrollment.
- Your child cannot be kept out of school if you lack documents needed for enrollment.
- Your child is automatically eligible for extra academic help through Title I.
- You are eligible to apply for preschool services if you have a preschool-aged child.
- If you do not agree with the school placement of your child, you can file a dispute form.

Responsibilities

As the parent, you have the responsibility to **keep your child in school and make sure they attend**.

1. Even if you move frequently or plan to move soon, send your child to school.

When you move, you have two options:

- a) Keep your child where they are currently attending, **OR**
- b) Enroll your child at the school in the new attendance area where you live.

2. Let the school know when you move. If you move out of the attendance area or district and would like to keep your child at their original school, call Prevention and Intervention at 457-3351 to arrange for bus tickets or alternate transportation.
3. Meet with your child's teacher or other school staff and ask how you can help your child.
4. Keep your child's immunizations up to date.
5. Keep your child's immunization records, birth certificate, social security card, and other important school documents in a safe place.

District Services

- Title 1 provides Federal money for extra services to children who are not meeting the high academic standards expected of all children.
- Ask the school your child attends what extra services are available.
- Children of families who move often are automatically eligible for Title I services whether the school of attendance receives Title I funds or not. Services at non-Title I funded schools are provided through Project ACCESS.

Project ACCESS Services

Services may include:

- Case Management
- Bus Tickets
- Title I Preschool
- Assistance with Food, Clothing, Shelter
- Homework Supplies

Project ACCESS provides services above and beyond those provided at the school site. Staff members are available to help families acquire school and community resources.

For more information about Project ACCESS, call 457-3359.
