

# Internet Settings for PowerSchool/PowerGrade Attendance

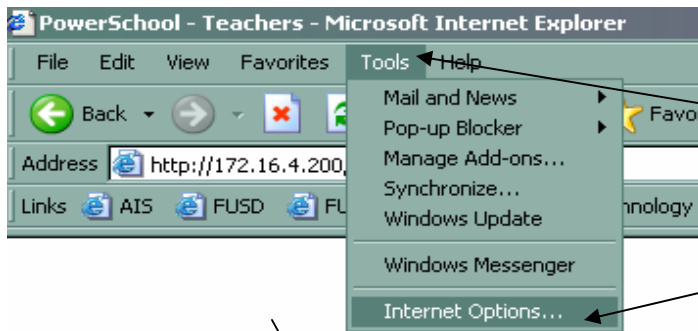

Power School/Grade attendance is a “web” page. It needs to refresh every time you go to that page. Please make sure your settings are correct. They must be set for each user on the computer.

1. Open your Internet Browser (Internet Explorer).

2. Select “Tools”.

3. Select “Internet Options”.

4. Click “Settings”

5. Under “Check for newer versions of stored pages, select “Every visit to the page”.
